## **Virtual IVD Conference**

| Date                  | Time                                 | Track | Presentation Title   | Speaker  |
|-----------------------|--------------------------------------|-------|--|--|
| 16-Mar                | 08:00 - 09:00<br>AM                  |       | Exhibit Hall   |  |
| Mar 16<br>- Mar<br>17 | Mar 16 09:00 -<br>Mar 17 09:30<br>AM |       | From R&D to Large Volume Production: Keys for a Smooth<br>Biomagnetic Separation Process Transfer      | Dr. Lluis M. Martinez<br>Chief Scientific Officer and Founder, Sepmag  |
| 16-Mar                | 09:30 - 10:00<br>AM                  |       | Estapor® Magnetic Microspheres for Development of Chemilumescent Immunoassays                          | Dr. Anabel Lermo<br>Senior Researcher, Pragmatic Diagnostics   |
| 16-Mar                | 10:00 - 10:30<br>AM                  |       | Live Q&A with Dr. Martinez & Dr. Lermo   | Dr. Lluis M. Martinez Chief Scientific Officer and Founder, Sepmag Dr. Anabel Lermo Senior Researcher, Pragmatic Diagnostics Matthew Coussens, Ph.D. Product Training Manager, Diagnostic Solutions, MilliporeSigma                      |
| 16-Mar                | 10:30 - 11:00<br>AM                  |       | New POC System Based on Small Magnetic Microspheres and<br>Offering Great Analytical Performance       | Dr. Sarah Delshadi<br>R&D and R&A Director, Co-Founder, MagIA<br>Diagnostics   |
| 16-Mar                | 11:00 - 11:30<br>AM                  |       | High Performance Rubella IgM Assay on Superparamagnetic Beads with a Novel Recombinant Rubella Antigen | Dr. Thomas Schumacher<br>Chief Scientific Officer Institut Virion/Serion<br>GmbH   |
| 16-Mar                | 11:30 - 12:00<br>PM                  |       | Live Q&A with Dr. Delshadi and Dr. Schumacher  | Dr. Sarah Delshadi R&D and R&A Director, Co-Founder, MagIA Diagnostics Dr. Thomas Schumacher Chief Scientific Officer Institut Virion/Serion GmbH Matthew Coussens, Ph.D. Product Training Manager, Diagnostic Solutions, MilliporeSigma |

| 16-Mar | 12:00 - 01:00<br>PM | Exhibit Hall   |  |
|--------|---------------------|--|--|
| 17-Mar | 08:00 - 09:00<br>AM | Exhibit Hall   |  |
| 17-Mar | 09:00 - 09:30<br>AM | Applying AnteoBind™ Activated Estapor® Europium Particles for<br>Development of Quantitative Fluorescent Lateral Flow Assays | Dr. Charlie Huang<br>Head of Diagnostics & Life Science,<br>AnteoTech Ltd  |
| 17-Mar | 09:30 - 10:00<br>AM | The True Cost of a 1 USD per Test: To Automate or not Automate the Production  | Dr. Virginia León<br>Lateral Flow Product Specialist, OPERON,<br>S.A.  |
| 17-Mar | 10:00 - 10:30<br>AM | Live Q&A with Dr. Huang and Dr. León   | Dr. Charlie Huang Head of Diagnostics & Life Science, AnteoTech Ltd Dr. Virginia León Lateral Flow Product Specialist, OPERON, S.A. Matthew Coussens, Ph.D. Product Training Manager, Diagnostic Solutions, MilliporeSigma                       |
| 17-Mar | 10:30 - 11:00<br>AM | SPAchip Technology, a Window Inside Living Cells   | Elena C. Rivas Pérez<br>CEO at A4Cell and Vice President of Spanish<br>Biotech Companies Association (ASEBIO)  |
| 17-Mar | 11:00 - 11:30<br>AM | The complexity of IVD Certification in the Case of Disruptive Technology Combining Kit + Instrument + Software               | Patrick Ducoroy<br>Chief Executive Officer, Biomaneo   |
| 17-Mar | 11:30 - 12:00<br>PM | Live Q&A with Elena Pérez and Patrick Ducoroy  | Elena C. Rivas Pérez CEO at A4Cell and Vice President of Spanish Biotech Companies Association (ASEBIO) Patrick Ducoroy Chief Executive Officer, Biomaneo Matthew Coussens, Ph.D. Product Training Manager, Diagnostic Solutions, MilliporeSigma |
| 17-Mar | 12:00 - 01:00<br>PM | Exhibit Hall   |  |
